

# THE GLOBE-REPUBLICAN

THE FORD CO. GLOBE, Established 1877.  
THE FORD CO. REPUBLICAN, Established 1886. Consolidated 1889.

DODGE CITY, KANSAS, THURSDAY, JUNE 16, 1910.

Thirty-Third Year, XXXV, No. 38.

## AT THE REUNION

FINE LIST OF SPEAKERS FOR THE BIG ANNUAL EVENT ALREADY ANNOUNCED

MORE TO BE HEARD FROM

Gen. Caldwell on the List—Congressmen from Illinois and Iowa Secured

A fine list of speakers for the Reunion have been secured up to date and there are others to be heard from, and will be announced a little later. Representative Madison who has been depended upon to do most of the work in securing speakers has notified the committee that he has secured the following speakers.

Hon. James M. Graham, Member of Congress from Springfield, Ill. Mr. Graham is a man who has associated with many who knew Lincoln personally. He will make an address on the subject of "Lincoln" which everybody should hear.

Hon. N. E. Kendall, a member of congress from Iowa, and a young man who is known in Washington as a fine orator.

Gen. J. G. Caldwell, recently U. S. Consul at Jan Jose, Costa Rica. He is one of the few surviving major-generals of the War of the Rebellion. He took command of Sickles' corps when Sickles was wounded at Gettysburg, and his address is one which will be appreciated by the old soldiers, and by everybody.

The speakers from Kansas will be: Senator Charles Curtis, Senator J. L. Bristow, Congressman Victor Murock, State Senator George E. Hodges, Ex-Governor W. E. Stanley, Governor W. R. Stubbs, Hon. Thomas Wagstaff, Hon. George Neelev and others to hear from.

## SANTA FE TELEPHONES

Trains Will be Dispatched by Hello System Over Most of Lines

Apparatus necessary to equip about 4600 miles of its line with telephones for dispatching trains has been ordered by the Atchison, Topeka and Santa Fe Railroad. The outside construction work is already well under way. Eventually all traffic and train movement on the Santa Fe will be directed by telephone. Today 2,275 miles of road are equipped with the telephone system. The Santa Fe was one of the very first to supplant the telegraph for this kind of work, and the accuracy of its operation has strengthened the belief of the officials of this road in the new dispatching system. The telephone equipment for the latest sections of this road to adopt this method of dispatching has just been ordered from the Western Electric Company, the manufacturer of the five million "Bell" telephones.

The telephone is soon to be installed over tracks from Newton, Kan., west to Mojave, Los Angeles and San Diego, Cal.; from Newton south to Gainesville, Tex.; from Temple, Tex., to Galveston, Tex.; from Temple to Brownwood, Tex., and from Wichita, Kan., to Clovis, N. M.

## OFFICIAL FORECASTER

Geo. T. Todd Gave the Weather Trip to Curtiss for Famous Air Ship Flight

In the famous air ship flight of Curtiss from Albany to New York, the time was selected on the advice of George Todd, a former Dodge City man. An Albany paper states this fact as follows:

"When Glenn H. Curtiss received his check for \$10,000 from the New York World for successfully flying from Albany to New York, the city of Albany was paid a big compliment. In speaking of the trip Mr. Curtiss

announced that without the help of the weather bureau he would have been unable to make the flight. In saying this he was lauding George T. Todd, local forecaster, who told the aviator when the wind would shift and whose calculations permitted the flyer to get under way on Sunday morning."

## HE'S GETTING RICH

Young Farmer in Ford County Has Made Better Than \$6,000 a Year For Past Eight Years

Frank Crouch, of Wilburn township in this county has just sold a section of his land in Wilburn for \$25,000, reserving the wheat on 400 acres of the land, which will bring several thousand dollars more. Mr. Crouch still has a 400 acre farm in that country which is worth \$16,000.

Eight years ago Mr. Crouch was a young man without capital, starting new in Ford county. Prior to that he had been in cattle business with his father and they had lost everything.

The young man had one horse left to stock a farm with. He got some land, which was cheap then, got married and started in with a lot of grit and determination to succeed as a Ford county farmer.

During the last eight years the money he has made is equal to a salary of \$6,000 a year above expenses. This is a pretty good Ford county record. A young man starts without means and makes for himself a better job than being a bank president. What other occupation, or other locality can equal it?

## EARL LORD MARRIED

Son of Mr. and Mrs. W. H. Lord of Dodge City Married to Emporia Girl.

This afternoon at 4 o'clock Miss Bertha Dunlap and Mr. Earl Lord were married. The wedding was a simple home affair, only the relatives of the bride and groom being present. The rooms of the Dunlap home were beautiful with their decorations of yellow and white daisies. The fire place in the living room, in front of which the bride and groom stood, was a mass of daisies and ferns. Above the mantel was draped a lover's knot of white tulle, covered with greenery. From the beam ceiling and electric lights hung festoons of daisies. Rev. Howard Kerr, of Park College, a former college friend of both bride and groom, assisted by Rev. J. H. J. Rice performed the ceremony. The ring service was used.

The bride was gowned in white marquisette, trimmed with Irish crochet. Her going-away gown was a blue tailored suit with blue turban to match.

The bride is the only daughter of Mr. and Mrs. Howard Dunlap and has grown to womanhood in Emporia. She has been graduated from the Emporia High School and from the College of Emporia. No young woman in this town has more of the town's good will on her wedding day than Bertha Dunlap. She has a wide acquaintance, and has endeared herself to everyone by her thoughtfulness and kindly consideration. Added to her sweetness of character she is energetic and capable and her little every day kindnesses to the people she meets are innumerable.

The groom at one time attended the College and for the past few years has held a responsible position in the Emporia National Bank. He is one of Emporia's best young men who, during the years of his residence here, has shown his ability in business, his fine manly character in his daily walk and his faithful adherence to the best things in life.

The out-of-town guests for the wedding were: Messrs. and Mesdames Howard Kerr, Parkville, Mo.; Lord, of Dodge City; Nelson and King of Burlingame; Mesdames T. E. Rankin, Ann Arbor Mich.; Hayden Nelson, St. Louis; A. A. Baker, Kansas City; Huffman and Graham, Peabody; Misses Estelle Baker, Kansas City; Messrs. Carrol and Fred Lord, Dodge City.—Emporia Gazette.

## DISTRICT COURT

Stray Waddell Trial Began Today. Wells Begins With Plea of Not Guilty. Others Plead Guilty

At the opening of the June term of District Court here Tuesday, Jack Lewis, and Chase and Meyers, the trio who robbed the Nichols & Edwards store at Spearville pleaded guilty. They are unknown here and claim to be from three different states, Missouri, Iowa, and Tennessee.

Frank Young, another tourist, who robbed the Locke residence here, also pleaded guilty. Young and others will be sentenced later in the term.

"Stray" Waddell the alleged Ford bank robber, was brought into court Wednesday morning. His attorneys who were to be here from Arkansas City failed to appear. Inquiry brought the report that they were in a murder trial in their own county. There has been a report here that these attorneys were not likely to defend Waddell, so that this was not unexpected. Judge Finley allowed the case to be continued until this morning. Waddell secured the services of J. M. Kirkpatrick, of Dodge City, and the case began this morning.

The Wells case will probably be called again following the Waddell case. On account of the absence of Wells' attorney this morning, the court appointed Mr. Kirkpatrick to represent him. After a conference with Wells, Mr. Kirkpatrick stated that if Wells was required to plead at once one way or the other, he desired to plead not guilty. This started some speculation among the spectators, as to whether or not Wells will really stand trial, and created considerable interest, because, as the money has been returned the going to trial would indicate that some one besides Wells is to be implicated in the case. The general opinion, however, seems to be that Wells will merely wait until his case is called again, and his attorney is present, when he will plead guilty.

## CHILDREN'S DAY

Program Given by the Methodist Sunday School on June 12.

# The GLOBE

OUR existence and success in Dodge City depends upon keeping your GOOD WILL. We can't do that by selling inferior clothes. So its to our advantage to make the most value make the most customers. Because of this fact we chose to handle Sincerity Clothes.

## Good Reasons Why Our Business Is Growing

### Sincerity Clothes

are distinctive in their many styles for old and young. Sincerity lapels are always flat and smooth, and the coats never pull away from the neck.

There are Regulars, Stouts and Slims in Sincerity Clothes—fit and age fitness. And the makers go so much further than the mills in preparing the cloth that 15 per cent is shrunk out of the cloth before it is ready to go into the made garment.

We still have a complete assortment of attractive styles and patterns in Sincerity Suits and plenty of accessories. The prices in force now will certainly interest you.

### Are You Going Away?

You can't go to places where people pay some attention to dress without being neatly outfitted yourself. When you can and don't take advantage of the extremely low prices we are quoting this month on the many articles of men's wear, such as

Light Weight Suits Straw Hats  
Negligee Shirts Fancy Hosiery  
Oxford Hosiery Wash Cravats  
White Serge Trousers

then you are depriving yourself of the pleasure of wearing correct and comfortable clothes

### Straw Hats

We have decided not to wait until August to cut the price on straw hats as is usually the custom, but will do it now at the beginning of the season. We will sell

All \$3 50 Straw Hats at.....\$2 75 All 2 00 Straw Hats at..... 1 25  
All 3 00 Straw Hats at..... 2 25 All 1 50 Straw Hats at..... 1 00  
All 2 50 Straw Hats at..... 1 75 All 1 00 Straw Hats at..... 75

ALL SHAPES, ALL KINDS, ALL SIZES

## FIVE FINE WELLS

Half of the Water Now Used by City Comes from Soft Water Wells Recently Put Down.

Dodge City has double the supply of city water now that she had last week. As a matter of fire protection the council has had two of the new wells attached to the old well from which the city has been getting its water supply, and these two wells furnish just about the amount of the old well. As soon as the new plant is built the water will all come from the deep wells. At present it is half soft water and half surface water.

The city now has five soft water wells, and the combined five will test 25,000 gallons per minute. In a short time Dodge City will have an inexhaustible supply of pure, clear, soft water, which will be the envy of all of the other towns in the state.

## AT FORD CITY

The wedding of Miss Alyce M. Gray and Mr. Clarence G. Nevins was solemnized at the home of the bride's parents, Mr. and Mrs. T. M. Gray at high noon, Wednesday June 8. Rev. C. E. Williams of Bucklin, officiating. The beautiful and impressive ring service was used. Only the immediate families were present.

The Lohregren wedding March was played by Miss Eulalia Nevins, sister of the groom. During the service the bridal party stood beneath an arch of smilax and white sweet peas. The parlors were decorated with potted ferns and pink sweet peas. In the dining room were immense bouquets of Henri Martin roses immediately after the ceremony the

guests were served with a bountiful three course dinner.

The bride's gown was of cream taffeta silk on princess model, with yoke, sleeves and overskirt of rare old lace, and finished with bands of silver trimmings. She carried a large bouquet of lilies of the valley and her veil was held in place by a wreath of these flowers. The groom was attired in the conventional black and wore a small boutonniere of lilies of the valley.

The young people were generously remembered with many beautiful and expensive gifts of cut glass, silverware etc. from friends and relatives.

Mrs. Nevins is one of Ford's most beautiful young ladies. She is especially talented in music, in the pursuance of her studies in which she has been attending Washburn college at Topeka for several terms.

Mr. Nevins is a graduate of Kansas State Agricultural college, class of '07. He is a junior member of the Nevins Hardware Co. and is one of Ford's most enterprising and prosperous young business men.

Mr. and Mrs. Nevins left Wednesday evening for Kansas City where they will spend a few days. After September 1st, they will be at home to their friends at the residence recently bought by the groom on the corner of Fifth and Mulberry street.

## OCCUPATION LICENSE

Those who have not paid their occupation license for the year ending June 30, 1910 will please call at the office of the City Clerk and do so at once. J. W. Rose, City Clerk.

Miss Irene Roudy, who has been spending her vacation with her parents, left Monday on the Rock Island for Pratt, where she has a position with the Pratt Mill and Elevator.

## Lumber Market

The above prices are the present retail market, and should enable any person to figure their lumber bill. I will, however, be pleased to figure your bills on the above basis at any time.

H. JUNEAU

A crowd of the democrats of Ford county met at the court house the first of this week to talk over their county ticket. The only places definitely fixed up at present are for the offices of register of deeds and sheriff. Suggestions were made for bringing out candidates for other offices, and these suggested candidates were to be conferred with. Pearl Treblook, the chairman, states that some of those suggested may file nomination papers, and others he does not believe will do so.
